I certify that I have undertaken an assessment of the materials being supplied in accordance with the "Clean Fill Guidelines" (Draft) May 2011 (Victorian EPA) including as appropriate and necessary:

Tick each of the following that apply:

- ☐ Collecting Information about the sites current and past owners/occupiers and land uses
- ☐ Referring to Appendix A of the Clean Fill Guidelines to assess whether the past or current land uses present a potential for contamination
- ☐ Physically assessing the site to see if there is evidence of activities likely to result in contamination e.g. soil discolouration, odour or evidence of foreign material

DECLARATION

Based on the above, I consider that:

- ☐ The site of origin DOES NOT have the potential for contamination

I confirm and accept that all information provided in this Site Assessment form is True and Correct, to the best of my knowledge, and that this form is a binding document.
